NOT A PARTICLE OF DANDRUFF OR A FALLING HAIR

SAVE YOUR HAIR! DOUBLE ITS BEAUTY IN JUST A FEW MOMENTS

"DANDERINE" MAKES YOUR HAIR THICK, GLOSSY, WAVY AND BEAUTIFUL

Withing ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first yes-but really new hair-growing all over the scalp.

Danderine is to the hair what fresh

showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhibitating stimulating and life-pro-ducing properties cause the hair to grow long strong and beautiful. A little Danderine immediately dou-bles the beauty of your hair. No dif-ference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The affect is mosstrand at a time. The effect is amoz-ing-your hair will be light fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance. Get a small bottle of Knowlton's
